No 299

Dear Mr Singaravelu Mudaliyar,

As instructed by the Dewan during his last visit to Mysore during Birthday the open site in Irwin road has been given by the Trust Board to Palace Contractor Mr Thimmaiyachari on the following conditions:-

Sealed
29.
1/7/32

1 That the Chattram should be constructed according to the plan and design now furnished by him and approved by the Trust Board

2 that the Chattram after construction should be handed over for maintenance to the Municipality or a Committee in which the Municipality is represented

3 that in view of the loss of play ground to the Children he should contribute Rs 2,000/- for the formation of another play ground

The site measures 1450 square yards and at the scheduled Trust Board rate the upset price works up to only Rs 1,450 The Board however fixed a sum of Rs 2,000/- to be recovered from Mr Thimmaiyachari towards the formation of another play ground He has paid the amount to-day and the site will be handed over to morrow I request you to kindly submit this for the kind information of the Dewan

CHAIRMAN CITY IMPROVEMENT TRUST BOARD

MYSORE

The General Secretary,

to the Government of His Highness the Maharajaof

SIR

With reference to your letter No L 56 M1 dated 2nd July 1932 calling for certain details in the matter of constructing a Chattram in Irwin Road by Palace Contractor Mr Thimmaiyachari and subsequent reminder No L 1463 dated 25th August 1932 thereon, I have the honour to forward herewith a copy of the approved design of the choultry under construction for the perusal of Government Mr Thimmiah -achari has since executed a mutchalika to contribute a sum of Rs 4,000/- towards the formation of a playground on the same road, and in part fulfillment of his agreement, he has already paid Rs 2,000/- in cash the balance of Rs 2,000/- being paid in four monthly equal instalments

As regards an endowment for future maintenance of the Chattram, Mr Thimmaiahchari says that he cannot set apart any separate fund for it in consideration of the heavy investment involved towards the construction of the building and that he would under-take to effect necessary repairs to the building as long as he is alive The question of its future maintenance will only arise after his death when the Committee managing the Chathram can levy a small fee to cover the maintenance expenditure as in the case of Lokasevaniratha
